## INDEPENDENT AUDITOR'S REPORT

To The Board of Directors  
The American Society for the Protection of Nature in Israel, Inc.  
Great Neck, New York

I have audited the accompanying financial statements of The American Society for the Protection of Nature in Israel, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The American Society for the Protection of Nature in Israel, Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014**

**NOTE 1**      **THE ORGANIZATION**

The American Society for the Protection of Nature in Israel, Inc. (ASPNI) was formed on May 13, 1986 as a non-stock, not-for-profit corporation under the General Corporation Law of the State of Delaware. ASPNI was organized to foster and encourage the conservation and protection of nature landscapes, historic sites and environmentally sensitive areas through support of the programs and activities of The Society for the Protection of Nature in Israel and other similar non-governmental organizations. ASPNI sponsors and supports specific conservation and educational projects at selected sites in Israel; this includes research and data-gathering through seminars, research grants, ecology-oriented tours and the furnishing of technical assistance.

**NOTE 2**      **SIGNIFICANT ACCOUNTING POLICIES**

**Accounting Policies**

The financial statements of ASPNI have been prepared on the accrual basis of accounting.

**Support**

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions.

Gifts of goods and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, ASPNI reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

THE AMERICAN SOCIETY FOR THE PROTECTION OF NATURE IN ISRAEL, INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

**NOTE 2**      **SIGNIFICANT ACCOUNTING POLICIES** (continued)

**Net Assets**

Net assets are classified as follows:

Unrestricted – This class includes net assets from unrestricted contributions and from other resources not subject to donor-imposed restrictions.

Temporarily Restricted – This class includes net assets from restricted contributions (temporary restrictions) whose donor-imposed restrictions have not been met.

**Fixed Assets**

Equipment is depreciated on a straight-line basis based on the life of the asset.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Donated Services**

Not-for-profit organizations are required to record donated services if they enhance non-financial assets or are performed by professionals and would otherwise been purchased. During the year, ASPNI did not receive donated services which would be required to be recorded on the statement of activities.

**NOTE 3**      **FUNCTIONAL ALLOCATION OF EXPENSES**

The cost of providing the Society's program and supporting services has been summarized on a functional basis in the accompanying supporting schedules. Accordingly, certain costs have been allocated among program and supporting services in ratios determined by management.

**THE AMERICAN SOCIETY FOR THE PROTECTION OF NATURE IN ISRAEL, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014**

**NOTE 4**      **TAX STATUS**

ASPNI has been granted an exemption from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code. The Society files an annual Form 990, Return of Organization Exempt from Income Tax, with the Internal Revenue Service (IRS). At December 31, 2015, the Society's Form 990 for the years 2011 through 2014 remain eligible for examination by the IRS. In addition, income that is not related to exempt purposes, less applicable deductions, is subject to Federal and state corporate income taxes. ASPNI did not have any unrelated business income for the years ended December 31, 2014 and 2015.

**NOTE 5**      **SUBSEQUENT EVENTS**

ASPNI has evaluated subsequent events and transactions through June 29, 2016, the date that the financial statements were available to be issued, and has concluded that no additional subsequent events disclosures are required.

**NOTE 6**      **COMMITMENTS AND CONTINGENCIES**

The management of ASPNI has advised us that they are not involved in any litigation.
